

Bring in the Sunshine

Sing it together
Bring in the sunshine
Whatever the weather
Won't get us down, down, down
Sing it together
Bring in the sunshine
Whatever the weather
Won't get us down

I've been feeling like the rain will never end
I've been feeling like the winter's coming 'round again
Something tells me that it's going to be better
Feel the rhythm and I hear the music ringing out

Sing it together
Bring in the sunshine
Whatever the weather
Won't get us down, down, down
Sing it together
Bring in the sunshine
Whatever the weather
Won't get us down

I've been scanning the horizon
I've been waiting for the dawn to come
Just biding my time again
Been listening for the sun

Sing it together
Bring in the sunshine
Whatever the weather
Won't get us down, down, down
Sing it together
Bring in the sunshine
Whatever the weather
Won't get us down

I'm just stuck in the rain
But I'm feeling no pain
I'm just singing my song
Brighter day will come along

We are Shropshire

Chant

Gotta keep our mind on it
Gotta keep our voices strong
Gotta keep our mind on it
Gotta keep it moving on

Take a minute
Take a listen

Been a long time
But we made it
Take a song and
Help us...

We are here
Sing it far
Sing it near
We are Shropshire
We are here
