Enrolling for Lessons

To enrol for lessons, Customers should read this information and then return the online form at www.shropshiremusicservice.org.uk The Music Service will then make contact to take payment before lessons can commence.

There are 34 'teaching weeks' during the academic year, but the actual number of lessons received will depend on the start date. Lessons are given mainly during the school day. Pupils are expected to attend all instrumental lessons during the teaching weeks. The lesson will usually take place at the same time each week.

Your child's details will remain on our database for the duration of lessons. Please refer to our Privacy Policy available on our website www.shropshiremusicservice.org.uk for more information.

Payment is due in advance each term. You can pay by debit/credit card over the telephone and our office team will contact you to do this once you have returned the relevant form. Payment can also be made by visiting the Council website www.shropshire.gov.uk - click on "Pay" and select "School Music Service" from the drop down menu. Shropshire Music Service will refund to the Customer the cost of any lessons paid for but not received during the cancellation period.

In addition, the Customer has the right to cancel at any time during the year by giving Shropshire Music Service six weeks notice in writing. Written notification can be given by emailing admin@shropshiremusicservice.org.uk

Lessons can stop immediately but the Customer will still be charged the notice period. If the request for cancellation arises from the unsuitability of delivery then where possible, we will offer alternative modes of delivery. If all alternatives remain unsatisfactory then please note, we will still charge the full notice period.

If you cease to attend lessons but do not provide written notification of cancellation, you will continue to be charged for lessons. Shropshire Music Service is under no obligation to provide a refund in the event of customer absence or failure to attend a lesson, for example, due to ill-health, holidays, school trips.

If Shropshire Music Service are unable to deliver any lessons for the Customer, a refund will be issued for lessons not provided.

What happens next

For lessons in school, the teacher will liaise with the relevant music co-ordinator or head of music to arrange lesson times, and your child will be informed. Timetables for the term are also displayed in school. Rotations are used in secondary schools where possible, to minimise the impact on other subjects.

In the unlikely event that the arrangements made for school delivery are unsuitable, lessons may be conducted at our music centre in Bayston Hill. Online lessons can also be offered.

For online lessons, your email address will be passed to the relevant teacher who will then contact you to arrange lesson times. The teacher will then schedule the lesson and you will receive a Zoom invitation via email.
